Dear Valued Customer:

As part of our on-going product life cycle management process, we have identified several products that will be transitioned to an "End-of-Life" status. This decision was based on our review of historical unit shipment volume and product revenue performance. Products targeted for end-of-life will be available for a last time buy purchase prior to being made obsolete. The following inductors will have no replacements available:

XFTPRH74-681M

XFTPRH74-821M

XFTPRH74-102M

XFTPRH74-102K.

Due to the wire size winding limitations in our factory, it will officially EOL on August 2021, orders will be not accepted. Commencing with the date of this notice after which no additional orders will be accepted.

Thereafter, these products will be considered obsolete and no additional deliveries will be made.
